### Software Support

#### Navy Personnel Command (NPC), MyNavy Career Center (MNCC), Millington, TN

Assisted with the upgrading, improvement, processing, and execution of the MNCC initiative. The MNCC program is a shared-services organization that enables the consolidation of administrative and transactional processes from across Manpower, Personnel, Training and Education (MPT&E) and the Hire-to-Retire process.

#### Salesforce Design/Build Support 24/7 Contact Center

#### Navy Standard Integrated Personnel System (NSIPS), New Orleans, LA/Millington, TN

Supported **PeopleSoft HCM 8.4, 9.2** and Oracle (versions 9, 10, 11G and 12c), Business Objects (versions 10, XIR2, XIR3), Microsoft SQL Server (SSIS) and a variety of ETL software such as PL/SQL packages, Ab Initio, Oracle Warehouse Builder and DataStage. COTS Integration, created, supported, and reviewed SQL and Oracle; stored procedures, SSIS packages, Schemas, views, and other database systems.

#### PeopleSoft NSIPS Portfolio of Applications Support

### Program and IT Management

#### U. S. Navy – Enterprise Resource Management (ERM)

ERM to the Program Management Office (PMO) for the Oracle E-Business system for the U.S. Navy. This included database administration, production support, application support installation, configuration, upgrades, patches, performance tuning, backup and recovery, cloning, space management database security and auditing. PMO was responsible for support, sustainment, DB/OAM/OIM/WebLogic patching and support.

#### Oracle E-Business CRM

#### USDA HRLoB Peoplesoft EmpowHR

Support Program Management Office (PMO) for the Peoplesoft EmpowHR HCM 9.0 system for the USDA. This included PeopleSoft functional support, Peopletools development and customization. Management of integration with 3<sup>rd</sup> party applications, component Interface and security related applications and roles. Providing integration testing, quality assurance and production support with complex PeopleSoft requirements.

#### Peoplesoft Federal HCM Support

### Technical & Administrative

#### Bureau of Naval Personnel (BUPERS), Information Technology System Support (ITSS), Millington, TN

ITSS administrative and acquisition related support services to the Sea Warrior Program (PMW 240) managing database and IT Systems. Prepared and handled Navy forms and Interface Control Documents (ICDs) via Adobe Live-Cycle ES software to maintain the Navy e-forms repository. ASP supported the Record Review Room and provided fitness documentation and reports for input/output issues.

#### Management Support Services

#### Strategic Weapons Facility Atlantic (SWFLANT), Personnel Reliability Program (PRP), Kings Bay, GA

Technical and administrative support for the day-to-day administrative functions of the PRP office, to include planning, process execution, and database management for DON Nuclear Weapons Regulations and DoN Nuclear Weapons Instructions. ASP also provides management administration support with battalion medical programs to ensure a 100% health record accountability, as well as tracking records for medical visits.

#### Administrative Services

### Healthcare

#### Wolf River Podiatry & One Health Family Health

##### Medical Billing Support Services and Staffing

Medical billing and support services to local providers in Tennessee and Mississippi. Provide personnel, software, equipment, supervision, technical and all other items necessary to perform the required medical billing services. ASP has completed dozens of Electronic Medical Records (EMR) installs and upgraded migrations for over a dozen small practices with over 40 personnel in a variety of medical specialties.

#### US Navy Fleet Forces Command

##### Medical Credentialing

Medical credentialing and library maintenance which monitors and tracks licensing, certification, registration status, DEA, and contingency training for all privileged and non-privileged providers within the U.S. Fleet Forces Command AOR.
